## ENVIROSEAL MADE IN AMERICA / BUY AMERICAN CERTIFICATION

To Whom It May Concern,

Enviroseal LLC is a premier manufacturer of environmentally friendly products used for protection of asphalt, roof, and concrete surfaces and soil engineering applications.

Enviroseal manufactures all its products at our facilities in Fort Pierce, Florida and these products include:

- LAS-320™ Asphalt Sealer
- RoofGuard™ Roof Sealer
- Duraseal Zero™ Concrete Sealer
- M10+50™ Soil Stabilizer
- MA-60™ Soil Stabilizer
- LDC™ Soil Dust Control

This letter serves as a conformance certification that the above listed Enviroseal products are manufactured in the United States of America from materials that are sourced from the United States of America and, as such, these Enviroseal products meet the requirements of section 1605 of the American Recovery and Reinvestment Act (ARRA) of 2009 and of 49 USC § 50101.

No federal waiver from the “Buy American” requirements is required for Enviroseal product submittal.

If you require further information, please contact our office.
